

Green Grass Greens

Hole No. 7 at the Canyon City Club was one of five holes that members started playing on last Sunday. The club has installed grass greens on all of the nine holes. The club is planning an open house for all Canyon citizens in the near future. In the foreground of the picture is the grass tee box of the hole, while the green is in the distance, across the creek and up the side of the hill.

Umbarger P-TA Met To Elect Delegates

The Umbarger P-TA met Friday night in the School Hall. Delegates to the convention elected were Mrs. Frank Grabber, Mrs. Alvin Friemel and Mrs. Ray Gerber. Alternates are Frank Grabber, Mrs. Dennis Brandt and Mrs. Joe Wiecek. The membership committee announced 100 per cent membership for this year.

After the business session, Sgt. Edwards of the Amarillo Air Base showed two films on Civil Defense and explained to the group the work of the Civil Defense group. He thanked the Civil Defense leader, Alvin Friemel, for the splendid work of his committee.

Stork Specials

Mr. and Mrs. W. D. Wegrich of Des Moines, Iowa, are the parents of a daughter born Oct. 14. Mrs. Wegrich is the former Frances Standley, daughter of Mr. and Mrs. Fred Standley.

Mr. and Mrs. Alvin Ray McBroom are the parents of a daughter born Sept. 28 at Friona. She was born with two teeth which the doctors had to extract. Mrs. McBroom is the former Margaret Hackler of Olton, a former WT student.

Mr. and Mrs. James Scott of Clovis, N. M., named their new son James Michael. The boy, weighing in at eight pounds and two ounces, was born early this morning in Clovis.

Committee To Study P-TA Social For Canyon High School Students

A committee to study the possibility of a P-TA sponsored monthly social for teen-agers was appointed by President Bob Bellah at the regular meeting of the P-TA Thursday night.

Members of the committee are the Rev. T. Winston Wilbanks, chairman, the Rev. Strauss Atkinson, Mrs. Jack Swazell, Mrs. Hatcher Brown, Mrs. John Simms, J. E. Miller and Newton Crain.

The membership of the committee was voted after Noah Arprieister offered a motion that it be made up of two ministers, three parents and two members of the faculty and administration of the

Number 29

Witches Dance at Fall Festival

Hobgoblins, witches, wandering broomsticks and spooks of all descriptions will have their night of freedom Saturday night when the P-TA Fall Festival takes over the junior and senior high schools.

And all those spirits will have a chance to eat supper before they begin to howl. The doors of the cafeteria will swing open at 6:30 p. m. for sandwiches, hot dogs, pies, cakes, soft drinks and coffee to be sold by the American Legion and the P-TA. The Junior Women's Book Club will sell snow cones.

The Festival itself will begin at

7 p. m. and will be climaxed by the coronation of the Fall Festival Queen at 10 p. m. in the high school auditorium. Voting for the queen will take place all during the Festival.

Candidates for the honor are Donna Caskey, freshman, Nancy Wiggins, sophomore, Janet Wheeler, junior, and Cecilia Waters, senior. Balloting will be conducted at one cent a vote, and totals will be posted at 15-minute intervals during the race.

An admission charge of 25 cents

will be made to the coronation, and tickets will be on sale in the hall during the Festival.

P-TA profits from the Festival will go toward a project of the organization. Last year, the P-TA purchased choir robes for the junior high school, and \$5 was given to each homeroom for parties.

Booths planned for the Festival

include popcorn balls, first grade; wishing well, second grade; novelty shop, third grade; grab box, fourth grade; apron sales, fifth grade; basketball pitching, sixth grade; lemon tree, seventh grade; novelty sales, eighth grade; dart board, ninth grade; talent show, 10th grade; snack bar, 11th grade; and auction booth, 12th grade.

A ducking board will be sponsored by the FFA. The queen contest and coronation is sponsored by The Eagle's Tale and Soaring Wings.

Information as to the location of any of the activities may be received by asking at any of the booths.

Admission to the Festival is free of charge. Youngsters are urged to wear costumes.

Festival Co-Ordinators for the P-TA are Dick Loudder and Hampton Lisle. Mrs. Oscar Hinger is publicity chairman.

Eagles Meet 1-AA Dimmitt Friday

Canyon will face its second District 1-AA opponent Friday night when the Eagles meet the Dimmitt Bobcats in Dimmitt.

Both teams have one conference victory under their belts—Canyon downed Tulia 41-0 Friday and Dimmitt has a three win, three loss record, while Canyon has a four win, two loss record.

"Dimmitt has a big power boy in Monty Boozer, their 175-pound fullback, and a fine runner who can cut in Keith Lowe, their 145-pound left halfback," Canyon Coach Guy Harrison said this week.

"They have two fine offensive tackles, Tate at 168 and Smithson at 210," he said. "We don't figure they'll have any speed edge—our speeds will be about comparable."

In the scout report on Dimmitt, the starting line averages 165 and the backfield averages 156.

Dimmitt started the season with a 25-24 loss to Silverton. Lockney defeated the Bobcats 27-6, and Hale Center defeated them 40-24. Dimmitt has defeated Friona 41-13, Dalhart and Abertamy.

Talking about last week's game with Tulia, Coach Harrison said that he hadn't been too concerned about the Canyon defense after the first few minutes of play, although "we played without a regular at any linebacker position."

"With an entirely new offensive backfield and a few new plays, I thought our boys did a good job. We made some mistakes on blocking assignments," the coach said. "Without those mistakes we'd have looked better."

"We felt we had three real good jobs in the line of scrimmage—Leonard Miller, Elston Burkham and C. B. Stone."

Mrs. Clyde McElroy returned Monday night from a month long tour of the Northwest on the circle route which took her to Denver, Portland, and Eugene, Ore., and San Francisco and Los Angeles, Calif.

Canyon Thanksgiving Set for Nov. 22, 29

Thanksgiving in Canyon will be a split-up affair this year in Canyon.

Chamber of Commerce Manager Roland Black said most of the merchants want to observe the holiday on Nov. 22. The public schools and the college will observe the holiday on Nov. 29.

Both schools originally planned on turning out for Nov. 22, but the date was changed when the college students voted for the later day. The public school holiday was changed to correspond.

Joe Findley Talks On Divorce in Tulia

Dr. Joseph Findley, associate professor of education at West Texas State College, will speak Thursday at a community meeting in Tulia.

Sponsored by the Tulia Ministerial Association, the meeting is slated at 8 p. m. in the Tulia High School auditorium. Dr. Findley will talk on "Divorce in American Society."

Queen Will Be Crowned During Half At Homecoming Eagles-Mules Game

Three Canyon High School beauties will be presented during the halftime show at the Canyon-Mules game Nov. 2, and one will be crowned football queen as a part of the homecoming activities.

The candidates, nominated by the football team, are Lynn Atkinson, Mary Sue Bolton and Marcus Robinson. The queen will be selected by the team, and her identity will not be announced until the coronation ceremonies.

All of the candidates are seniors. The three will ride in a convertible at the half, and Tommy Davis, Canyon High Student Council president, will crown the queen.

All ex-students of Canyon High are asked to register during the homecoming. Registration tables will be set up at the school during the day, at Buffalo Stadium during the game and at the social and dance following the game.

The homecoming festivities will be kicked off with a bonfire on Nov. 1. The bonfire, which will be lit at 7 p. m., will be on the vacant lot west of the high school.

Tower Patrol Wins Uniform Inspection

The Tower Patrol of Boy Scout Troop 66 won out in a uniform inspection held during the scout meeting Monday night, and the patrol leader, Larry Brotherton, was awarded a neckerchief for the honor.

The scouts in the troop were inspected by patrols, and the total score from each patrol was averaged. The Tower Patrol average was 97.2 points. In addition, the patrol has the Honor Patrol ribbon on its flag this month.

Members of the patrol are Brotherton, Davis Price, assistant patrol leader, Bill Phillips, Ronny Harris, Mike Callihan, Bobby Haggard, Wallace Busted, Bobby Dorris and Larry Holman.

Concert Cards Sent to Owners

Membership cards were mailed this week to members of the Canyon Community Concert Association as the association's first concert is only a week away.

The first concert by the Teltschiks is scheduled for next Wednesday night. The Teltschik brothers transport their own Steinway pianos to their recitals over the country. They have their own conservatory in Houston.

Admission to the concerts of the association is by membership only. Memberships are solicited each fall in a drive. None are allowed after the drive has concluded.

Mr. and Mrs. LaVeral Thompson spent the weekend in Wellington, Kan., visiting Mrs. Thompson's parents, Mr. and Mrs. James Ream.

Three FFA Members Win Prizes At State Fair of Texas in Dallas

Three Canyon FFA members have distinguished themselves in the livestock show at the State Fair of Texas and a fourth has been honored with the highest degree available for FFA members.

Jimmy Hales, son of Mr. and Mrs. Robert Hales, showed the grand champion Holstein heifer in the dairy show at the State Fair. The heifer he showed is one given him by the Canyon High FFA chapter on a rotating basis.

Jerry Parker, son of Mr. and Mrs. J. O. Parker, showed the reserve grand champion steer in the Junior Fat Steer Show at the fair. The steer, bred by his father, sold for \$1.50 per pound at the auction following the show. It weighed 1,000 pounds and was 17 months old.

The steer, purchased by American Liberty Oil Company of Dallas, was donated to Camp Woodland Springs in Dallas.

Jack Campbell, son of Mr. and Mrs. L. T. Campbell, a 1956 graduate of Canyon High School, showed the reserve champion Spotted Poland China boar in the Junior Pig Show at the fair. He exhibited successfully at the Tri-State Fair

and Panhandle-South Plains Fair in Lubbock this year. His animals won the grand championships for both male and female at both fairs.

He was given a Santa Fe Award for the area FFA Star Farmer for 1956, which included a \$100 cash award and a trip to the National FFA Convention last week in Kansas City.

Foster Parker, another son of Mr. and Mrs. J. O. Parker, and a 1955 graduate of Canyon High, received the American Farmer Degree at the national convention last week. The award, highest on the list available to FFA members, goes to no more than one half of one per cent of the FFA members each year.

Musical Program Presented Monday

A varied program by vocal and instrumental students at West Texas State College will be presented by the WT music department Monday at 4:30 p. m. in the Administration Building auditorium. The public is invited.

Five voice students will be presented. They include Joanne Hill of Borger, mezzo-soprano, singing "An die Music" by Schubert; Charles Cox of Happy, baritone, "Lord God of Abraham" by Mendelssohn; Janice Lawrence of Dalhart, mezzo-soprano, "Nymphs and Shepherds" by Purcell and "No, no, non si spera" by Carissimi; Tommy Culpepper of Hereford, baritone, "Clorinda" by Morgan; and Roy Lowe of Amarillo, tenor, "The Damask Rose" by Quilter.

Instrumentalists are Jo Ann Herring, hornist, of Borger, "Rondo" by Mozart; Juaneva Rose, pianist, of Tulia, "Sonata in C" by Scarlatti; Bob Cheek, trumpeter, of Perryton, "Fantaisie" by F. Thome; Joanne Hill, pianist, of Borger, "Sonata in F" by Scarlatti; and Noel Maxwell, trombonist, of Amarillo, "Concertino" by David.

A trio, including Charlotte Lowe of Pampa, flute, Alice Gordon of Amarillo, oboe, and Juaneva Rose of Tulia, clarinet, will conclude the program, playing "Presto" by Haydn.

Sheep Wanted for Palo Duro Grazing

The Texas State Parks Board is looking for a flock of sheep to do a job of fire prevention in Palo Duro State Park.

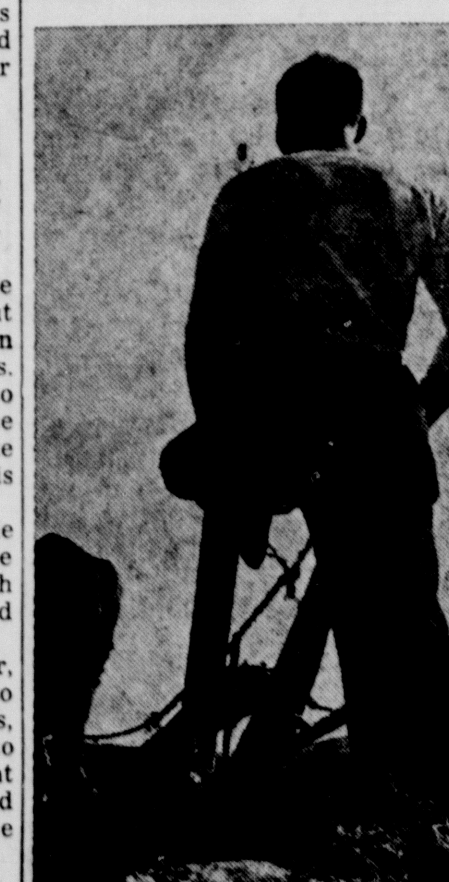

In order to avoid misunderstanding in a cow country, Park Manager Pete Cowart announced that the sheep are wanted to graze out weeds and grass under the scrub brush in the Canyon. "Cattle just won't clean out under the brush, and sheep will," he said.

He said that the chances of a brush fire are high right now because of the amount of grass under the small trees. The brush and grass is tinder dry, and could be set on fire easily.

The parks board is accepting bids for a flock to graze the canyon, and full details may be obtained from Cowart.

Mr. and Mrs. Ira Brown of Dimmitt spent Sunday afternoon in the home of Mrs. B. C. Taylor Sr.

Goblins Coming To Get Donations For CROP Activities Monday Night

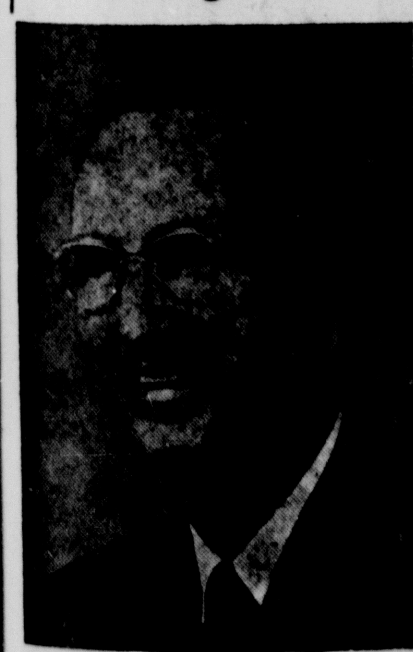

The goblins that come to 'get you' Monday night won't be looking for ordinary treats—they'll be gathering money for the Christian Rural Overseas Program. Participants in the drive will be making house-to-house visits between 7 and 9 p. m., and so that you'll be able to tell them from ordinary goblins, they'll be wearing CROP identification tags and labels will be on their sealed money containers.

Under the sponsorship of the Canyon Christian Youth Council, the young people will meet at 7 p. m. at the Methodist Church to begin the drive. The drive replaces the customary Halloween trick-or-treat, with proceeds of the campaigning going, through CROP, to feed people overseas.

Through CROP, contributions to the youth project will send government surplus foods released free to the Share Our Surplus program of Church World Service, to feed overseas needy. Handling and distribution of the surplus foods cost less than a penny a pound. Distribution is handled overseas by church agencies.

Following the collection Monday night, the young workers will meet at the Methodist Church for refreshments and a social hour.

DR. M. J. LEE

Calvary Baptist Holds Revival

Dr. M. J. Lee, pastor of the First Baptist Church of Guyton, Okla., will preach for a revival meeting in the Calvary Baptist Church during the week beginning Nov. 11.

An invitation to attend the services has been issued to all citizens of the area.

Dr. Lee holds a BA degree from Louisiana College, ThM from New Orleans Baptist Theological Seminary and a Doctor of Languages from the University of Madrid in Spain.

Bufs Win Second Border Game

The Buffaloes took their fifth straight game of the season and their second in the Border Conference Saturday night in plowing the New Mexico Aggies, 45-0.

Charles Sanders made three of the six touchdowns, Rex Loftis made one, Mark Clapp made one and Bubba Hillman passed to Ken Ballard for the sixth score. Extra point kicking chores and honors were passed out among Tommy Coffey, who made two of three, Archie Souter, who made one of two, Tommy Murry, who tried one but failed, and R. L. Rhoten, who also missed one of one.

The game began with the Aggies playing inspired ball and the first part of the first quarter was nothing more than an exchange of yardage between the two teams.

But soon after the middle of the quarter, the Buffs began a touchdown drive that ended in the second quarter. Taking the ball on the West Texas 20, the Buffaloes drove to the goal line, some 80 yards away, but did it in 95 actual yards because of a penalty in the middle.

Taking the ball to the New Mexico 13 in the first play of the second quarter, the Herd set up the first touchdown. Dave Corley picked up two on a cross buck,

then Sanders carried to the five where he fumbled. Philip Wright recovered for WT on the two.

Sanders bucked over for the score and Coffey kicked the extra point to make the score 7-0 as the clock showed only 1 minute and 8 seconds gone in the quarter.

With the aid of three completed passes, New Mexico worked the ball from their own 35 to the West Texas 10 before the Buffalo defense held.

Taking over at that point, the Herd stamped and went the 90 yards for a touchdown in 10 plays.

Sanders went over left tackle for seven, Ronald Mills took a pitch-out and swept left end for 17 yards, Corley made one, Mills picked up four and Sanders went 11 yards to the 50.

Hillman tried a pass, then completed one to Ballard on the New Mexico 30. Mills picked up another five, Sanders made 12 on a trap play, and the Buffs had a first down on the New Mexico 13.

Sanders made that 13 yards around left end and scored the second touchdown with 5:40 left in the quarter. Souter's kick was good.

West Texas had one more chance at the ball before the half, but the Buffs were unable to score.

The third touchdown came toward the middle of the third quarter when Sanders completed a 63-yard run for the score.

As the quarter opened, WT and

New Mexico exchanged a series of downs and the Buffs got the ball on the WT 27. Sanders carried for three and Corley made a first down on the 37.

Taking the ball on the belly play, Sanders went for the remaining 63 yards with the clock showing 9:52 left in the quarter. Coffey's kick was wide, but the score was 20-0.

The next time West Texas got the ball, at the NM 13, Mills went to the seven, Corley lost two and an offside penalty set the ball on the four. Mills made no gain, then Loftis tiptoed over left tackle for the score.

Coffey's kick went wide, but New Mexico was penalized for clipping and Coffey tried again. This time it was good and the score was 27-0.

The Aggies rode out the quarter in possession of the ball, and moved it closer and closer to scoring land. As the quarter ended, the ball, in Aggie hands, lay on the WT five and it was a first down.

Wallace Ferguson was stopped for no gain, Joe Kelly made two, and Don Rideau lost it right back. Foy Lowery tried an incomplete pass, and West Texas took over on their own five.

It took 11 plays to get 95 yards this time. Sanders carried for six, Corley for seven and then for another six. Hillman made five and Sanders ran for 21 yards to the 50. Corley went to the 41 and

Hillman tried a pass. Sanders was stopped at the line, so Mills gained six to the 35. Mills made another 15 yards around right end.

Hillman leaned back and heaved to Ballard in the end zone for the fifth touchdown. Murray's kick went wide, but the score was 33-0 as the time was 9:45 in the game.

On the second play after the kickoff, Lowery tried to pass, but fumbled and Murray recovered on the New Mexico 23 for West Texas.

Rhoten ran up the middle to the two, then went off right tackle for the touchdown, only 1 minute and 28 seconds after the last. His kick was blocked.

After the next kickoff, the Aggies had a chance for three plays, but had to kick on fourth down. Lowery's punt went dead on the NM 44.

From there, Souter gained four, Clapp went around right end to the 31, West Texas was offside, then Jim Hadaway gained 13 to the 23 on a reverse. Clapp went around right end to the six and Souter went over left tackle to the one.

Clapp went to the other side of the line and stepped into the end zone after running through right tackle. Souter's kick was blocked. The clock showed 3:24 left as the final score was Aggie 45, New Mexico 0.

Taking the kickoff, the Aggies moved from their own 45 to the Buffalo 25, but lost the ball there. The Herd waited the clock out.

Canyon, Texas

EDITORIAL

Views and Comments

Amarillo's Turnstile came close to turning up one of the basic reasons for the prevailing teacher shortage in the United States the other day when he commented that the way to relieve the shortage would be to "somehow to convince teachers that they are in an enviable profession, respected by all."

He says that somebody sold a lot of teachers on the notion that they are teachers because they can't qualify for any other job, and the poisonous idea has even college teachers apologizing.

I realize that a person flirts with the ire of a great many people when he comments unfavorably on teachers and teaching. It's just about like saying unkind things about "Mother," "The Flag" or dogs. A person lays himself open to all sorts of personal criticism.

But it seems to me that teaching, as it stands about now, is a job that must be done, but very few want to do it. Teaching at present is not a profession, and those who teach are not professionals—but, rather, workers.

In the dictionary, professionalism is the "conduct, aims, qualities, etc., characteristic of a profession or professional men." And the actions of teachers, teachers in the mass that is, not the individual, are certainly well below the actions of the "three professions or learned professions" also listed in the dictionary, ie, theology, law and medicine.

A doctor, admitted by all to be a professional, operates under a code of ethics that is strict, and the doctor actually lives up to the code. Of course there are some who don't, but those are the exception. There are lots of other people who work in medicine, but they are not called doctors.

No one is admitted to the rank of doctor until he has had a rigorous period of study, followed by considerable supervised practice and a comprehensive testing of the knowledge gained by study and practice. Consequently, everyone recognized that the title and rank of doctor means a certain thing, and that title is respected.

Nurses aren't called doctors, yet nurses work in medicine. Ward orderlies in hospitals aren't called doctors, but they are in medicine, too. Nurses must undergo a period of study and practice less severe than doctors, so they, too, are given a certain mark of respect that lies somewhat lower than that given a doctor.

Intensive study is not required of ward orderlies, so they don't get the respect given either nurses or doctors.

In a law office, only the lawyer, who has finished several years of study, gains the respect of the people as a whole. His secretary, although she stands near the top of the list of secretaries, does not enjoy the respect her boss does. If there is a clerk in the office, he does not get the respect, either. The lawyer, who has had the required education and who must undergo a comprehensive test and subscribe to a code of ethics, has the respect of the people.

On the other hand, everyone except cafeteria workers, bus mechanics and drivers and janitors are called "teachers" in the schools. The period of study varies, some have the minimum and some have many more years, yet all are called teachers.

There's even friction between college and public school teachers over that point. The public school teachers' organizations want college teachers to belong on the same footing, when there is little actual common ground between the two groups. Imagine, if you can, a Professor of English at Harvard, who has a PhD in English with further study in his chosen subject, being compared with a junior high school English teacher in a Massachusetts school, who has only the required number of college hours in education, and has had only 12 hours of college English.

There's no good ground for comparison, is there? Yet, the public school teacher wants the same respect and advantages of the highly trained college teacher. They say that since both are "teachers," they should be treated the same.

This year, to help alleviate the shortage of teachers in Texas' public schools, the state education agency decided to license as teachers college graduates who agreed to watch television for 15 hours. Those persons were welcomed with open arms to the ranks of "teachers." Surely, those persons are less well trained for teaching than someone who has gone through college with the goal of becoming a teacher.

Yet, they are welcomed as "teachers." Those who look upon teaching as a profession have allowed their standing to be watered. They've allowed someone who hasn't gone through the necessary period of study and practice to gain the title. They've let a little of the meaning of the title slip away.

Don't confuse personal respect with professional respect. A doctor can be one of the most hated men in the community, a man who is looked upon with disgust, yet his title, "doctor," is still respected. Conversely, the teacher can be one of the best liked, and most respected, persons in the community, yet the title, "teacher," gets no respect at all.

Most professional persons, by the way, command the best pay for their labor. The pay is freely given because of the respect the profession engenders.

If our teachers can somehow gain self respect, then the respect of the community as truly professional people, then many of their problems will be solved. They've got to believe, and to get others to believe, that they are teachers because they picked that job out of many possibilities—not because they couldn't do anything else.

Teachers must weed from their ranks the unfit, must put a label on different jobs which aren't really teaching, and must then require rigid specifications for one wishing to gain the title of "teacher."

Schooling, after all, is only one aspect of the process of education of children. The whole process is in the passing on of the cultural heritage, and the school's function in the process is the giving of intellectual discipline. That function is most important, and is a function that should hold the respect of the entire community. But, you've got to be doing what you are supposed to do before you can get respect.

Along the same line is proposed Amendment 4, which will be voted on Nov. 6. The amendment broadens the scope of the teacher retirement act in Texas, and allows the teacher to put up a larger percentage of his pay, to be matched by the state, toward retirement.

The teacher's organizations are plumping for the amendment on the grounds that it will attract more teachers. I doubt seriously if it will attract any more teachers, but it will probably keep some in the business who are there now—and is worthwhile on that score, if for no other reason.

The reason I believe that the passage of the amendment will gain no more teachers is because I doubt if very many people have ever started teaching because of a good retirement plan. They don't start other jobs because of a good retirement plan.—BC

Legal Rights Are Discussed by Lair

Criminal District Attorney Aven Lair presented "What Are Our Legal Rights?" at the meeting of the Junior Woman's Book Club Friday afternoon. A panel with Mrs. D. C. Gamble, Mrs. Richmond Hales and Mrs. Harold Erwin as members submitted questions for Mr. Lair to answer.

During the business session an appropriation of \$25 for a cook-stove for the Girl Scout Hut was approved. Plans were made to conduct a Home Tour in the spring. The group voted to have a snowcone booth at the Fall Festival. Plans are underway for a Conner Park beautification project. Members were urged to work with the Get Out the Vote movement.

Guests were Mrs. Bill Cleavinger, Mrs. Bill Cherry, Mrs. Floyd Tomlinson and Mrs. Harry Ball.

Members present were Mrs. J. C. Bellah, Mrs. Aven Lair, Mrs. Albert Craig, Mrs. Eugene Bond, Mrs. Weldon Hager, Mrs. Truett Hull, Mrs. Emilio Caballero, Mrs. T. S. Stevenson Jr., Mrs. Bob Black, Mrs. Dudley Moore, Mrs. Roland Black, Mrs. Bill Davis, Mrs. Harold Erwin, Mrs. Kenneth Erwin, Mrs. H. R. Fulton Jr., Mrs. Gamble, Mrs. Bob Lindsey, Mrs. Dick Louder, Mrs. Michael Morris, Mrs. Lindsey Taylor and Mrs. Riley Troth.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: All unknown and unnamed nieces and nephews that are living and if they, or any of them, are deceased, the heirs and legal representatives of such unknown and unnamed nieces and nephews under the will of Sallie R. McCormick, Deceased, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 47th Judicial District Court of Randall County at the Court House thereof, in Canyon, Texas, at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of November A.D. 1956, then and there to answer Plaintiff's Petition filed in said Court, on the 1st day of October A.D. 1956, in this cause, numbered 3213 on the docket of said court and styled Frank M. Ham, Plaintiff, vs. Cleo G. Clayton, Sr., Executor of the Estate of Sallie R. McCormick, Deceased, and all unknown and unnamed nieces and nephews that are living and if they, or any of them, are deceased, the heirs and legal representatives of such unknown and unnamed nieces and nephews, under the will of Sallie R. McCormick, Deceased, Defendants.

A brief statement of the nature of this suit is as follows, to wit: This suit being for the construction of the Will of Sallie R. McCormick, Deceased, dated on or about June 28, 1952, and admitted to probate in the County Court of Randall County, Texas, in Cause No. 775, on October 14, 1952; plaintiff Frank M. Ham claiming in his suit, that all of the unknown and unnamed nieces and nephews under the will of Sallie R. McCormick, Deceased, if living, and all the heirs and legal representatives of such that are deceased, took no interest under the will of Sallie R. McCormick, Deceased, in the North half of Section 149, Block 2, A.B.&M. Survey, in Randall County, Texas, and that he acquired fee simple title to same from all of the named devisees and legatees named in said will, by deed from them dated June 3, 1954, and of record in Volume 12 at Page 277 of the Deed Records of Randall County, Texas, and that the above named defendants and all of them, had no interest of whatsoever nature in said property, all of which is more fully shown in plaintiff's original petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Canyon, Texas, this 3rd day of October A. D. 1956.

ATTEST: MAVIS HILL Clerk, District Court, Randall County, Texas.

Readers' Editorials

(The editor welcomes comment from readers, on any subject. The Canyon News reserves the right to edit any letter to make it conform to postal and libel laws. To be published, each letter must be signed, but the name may be withheld if requested. Please keep letters to 300 words or less.)

Dear Editor:

It seems as though I have drawn fire from an unexpected source, however I won't let it bother me too much as I, like Ike, have been shot at before. I wish the little lady could agree with me on politics, but inasmuch as that seems out of the question, I would defend to the last drop of my blood her right to disagree for I still think the Republicans are human beings even though they are misguided ones. And, yes I do believe in a supreme being but his name is not Eisenhower.

It also seems as though I have been taken out of the "little fellow" class and put in with the big 'uns—for which compliment I thank the lady. But even if such were the case I would still prefer to run with the little fellow for, after all, I sorter like his company best and I would always prefer to be called one of them, although on numerous occasions I have been called something else.

Four years ago the Republican Party sold us a gold brick for which we are still paying and it would be the height of human folly to fall for the same shell game again. However, you can never tell as Mr. Barnum said there was one born every minute.

GEORGE SCHAEFFER

(Dear Misguided Canyonites: I hope we can use the word each year for several more years. Thank you. Ed.)

Dear Editor:

Thanks for publishing my letter in the Oct. 17 issue.

But here is the point. There are two vastly typographical errors, the likes of which I have never seen on the face of one of the printed pages of the Canyon News. In paragraph 1 is the paraphrase "REGUERS" in quotation marks, instead of the common word regular. And in paragraph 2 you paraphrased the word "even" with the pronoun "men" which sounds so ridiculous it isn't even funny.

I'm not supposed to know how to spell or compose but you are, and will you please allow me to stand corrected for the benefit of many readers as well as your nice clean newspaper?

MRS. JOHN L. WILLIAMS
CANYON

P. S. I hope to see this correction made in the Canyon News. I'm a subscriber to the News and enjoy it, but this certainly would embarrass anyone, should it happen to him.

(Thank you, Mrs. Williams, for correcting me. I'm glad to know exactly what words you had written. You see, I could not read your handwriting.—BC)

Dawson and David Tinsley; Nancy Lou Kardos, left front row, Ronnie Prather, Barbara Brummett, Barry Brown, Patricia Craddock, Jim Bryan, Marilyn Kay Bourland and Deborah Fassauer. Prints may be obtained at Harp's; 8x10, \$1.25; 5x7, 75 cents.

NEWS LETTER

FROM CONGRESSMAN WALTER ROGERS
OF THE 18TH CONGRESSIONAL DISTRICT

Middle East Oil

The Suez situation has pinpointed the question concerning Middle East oil. The continent of Europe is primarily dependent upon this source of fuel. Frankly, I hate to say this, and if it were not a well-known fact throughout the world, it is something that should not be openly discussed.

Nasser, however, knows better than anyone the dependence of the European continent on this fuel supply. He also knows that if Europe uses Middle East oil, a tremendous amount of it must come through the Suez Canal. The

reason being that a great deal more is needed to supply the demand than can be provided at the Mediterranean pipeline outlets.

Therefore, the talk about taking ships around the continent of Africa and by-passing the Suez Canal was simply out of reason. It might have worked with many items, but it could not have worked with Middle East oil for several reasons.

The main one being the additional expense and the time element involved in going around Africa. In the second place, the dependence of Europe on this source of fuel would demand a continuous supply. It would have been almost impossible to have provided enough tankers to have kept such a continuous supply going if the trip had to be made around the Cape of Good Hope.

Another reason that was not talked about too much, is the fact that there are many shipping interests throughout the world who would have been happy to have picked up a lot of this business and used the Suez Canal. They were not under the domination of the British, French, American or other government that might have

been in sympathy with the position of the United States, France and Britain.

Needless to say, these shipping interests would have had no difficulty in obtaining cargo because the governments under which this oil is produced, if not in full sympathy with Nasser's action, are certainly willing to acquiesce therein.

In fact, there are many who believe that the nationalization of these oil fields will come about in the not too distant future. It must be remembered that these fields are all relatively new fields and are producing oil in great quantities.

For instance, let us look at the country of Iraq. The first gusher came in 1947 at a depth of 1521 feet. It flowed nearly 100,000 barrels per day until brought under control. In 1951 this field was producing approximately 62 million barrels of oil out of 11 wells.

By 1955 this production had been stepped up to 250 million barrels. In Kuwait we had a similar situation. In 1951 the production was approximately 210 million barrels. By 1955 this was almost 400 million barrels.

The Saudi Arabian production in 1951 was approximately 280 million barrels. In 1955 it was 355 million barrels. In Qatar a 17 million barrel production in 1951 was stepped up to 40 million barrels by 1955.

With all of this tremendous increase in the Near East production there is one situation that points up the difference between free enterprise and nationalism. In the country of Iran the 1951 production was approximately 117 million barrels. You will remember that it was in Iran that the oil fields were nationalized.

Immediately production fell off. The end result of the policies that were followed by Mossadegh in his nationalization policies, was that Iran was the only country that did not increase its production between 1951 and 1955. In fact, the production in Iran fell off by approximately 7 million barrels.

Although it was estimated in 1950 that 42 per cent of the world's total oil reserves were located in this Middle East area approximated at that time at about 33 billion barrels, it was recognized that the potential oil production there could not be determined with any great degree of accuracy.

Subsequent developments have proven the estimated reserve and much more. In this respect it might also be pointed out that subsequent developments should have proved something else to those Middle East governments. I refer to the situation in which Iran finds itself.

If these other governments who

are blessed with oil potentialities will look at the record, they will readily see that nationalization is not the answer to obtaining sufficient funds from their natural resources to provide a better way of life for their peoples.

In comparing the production of Iraq with Iran in the four years from 1951 to 1955, we find that a country that did not have nationalization, Iraq, is now enjoying a production of four times its 1951 production. While in Iran, the country that did have nationalization, we saw a decline in the production as herein above pointed out.

It might also be pointed out in this respect that in 1949 although the Middle East had the potential it was producing only 512 million barrels from about 208 wells. The United States on the other hand in 1949 produced 1 billion, 840 million barrels of oil although it took

Here! New Task-Force 57 Chevrolet Trucks!

Performance-proved in a history-making test on the ALCAN Highway to Alaska

The Alcan Highway is the road where trucks grow old before their time. The road where gravel endlessly sledgehammers the life out of trucks. Where a fog of superfine dust chokes engines, and vicious ruts subject chassis to months of wear in a few hundred miles.

Six new '57 Chevrolet trucks, heavily loaded with cargo, roared north from Dawson Creek, B.C., through 1,520 miles of mountains and mire, rain and hail to Fairbanks, Alaska. Running around the clock, they made this tortuous trip—normally a 72-hour run—in less than 45 hours. As a special test during the run, two of the trucks went the entire distance without once having their engines stopped!

Come in and see how well these new Alcan champs measure up to your job.

Alcan fleet reports up to 18.17 miles per gallon! That's the mileage reported by the Cameo Carrier, with Thriftmaster 6 and Overdrive (optional at extra cost).

FIRST WITH THE MOST MODERN FEATURES!

New 283-cubic-inch Taskmaster V8 is standard in Series 5000, 7000 and 8000, optional in Series 6000 at extra cost. Horsepower ranges up to 210 in Chevrolet's complete line-up of modern V8 and 6 truck engines.

Revolutionary Powermatic Transmission—exclusive with Chevrolet trucks! This six-speed automatic, designed specifically for heavy-duty hauling, is an extra-cost option in Series 5000 and 6000 and all heavy-duty truck models. Hydra-Matic is offered in 3000 and 4000 Series models at extra cost.

L.C.F. models outdate C.O.E. trucks in every way; yet offer all the traditional C.O.E. advantages.

Heavyweight Champs with Triple-Torque tandem are rated at 32,000 lbs. GVW, 50,000 lbs. GCW. Special features include built-in 3-speed power divider.

All the way in DRIVE range with Powermatic! This Powermatic-equipped 10000 Series tractor traveled the Alcan Highway in a single forward-speed range!

Sue Hite Club Hears
Talk on Leisure

Members of the Sue Hite Club met Monday, Oct. 22, in the Club Room of the Panhandle-Plains Historical Museum. Mrs. Clara Lou Slack gave the invocation. Mrs. Lois Prichard spoke on "Leisure For Entertaining." Hostesses were Pauline Brown and Gladys Marshall.

Present were Mrs. R. B. Allen, Mrs. Strauss Atkinson, Mrs. Royal Brantley, Mrs. Brown, Mrs. Sidney Burgess, Mrs. R. C. Busteed, Mrs. M. R. Callahan, Mrs. Levi Cole, Mrs. W. D. Compton, Mrs. Clay Cooper, Mrs. Loyd Devin, Mrs. J. E. Flynn, Mrs. D. M. Foster, Mrs. A. K. Goodman.

Mrs. W. F. Haggard, Mrs. E. B. Hatfield, Mrs. Virgil Henson, Mrs. Robert Jarrett, Mrs. Mitchell Jones, Mrs. David Kaplan, Mrs. Bill Lee, Mrs. C. F. Marshall, Mrs. M. B. Measamer, Mrs. Gene McGlasson Jr., Mrs. T. D. MacOwan, Mrs. Bryan McDonald, Mrs. W. E. Miller, Mrs. W. A. Moore, Mrs. J. O. Parker, Mrs. R. F. Phillips, Mrs. K. L. Pond.

Mrs. Prichard, Mrs. Rex Reeves, Mrs. Slack, Mrs. Paul Summers, Mrs. Crannell Tolliver, Mrs. A. L. Walsh, Mrs. R. D. Wheelock and Mrs. Lorenzo Wirt. Mrs. J. S. Humphreys, honorary member, was also present.

Amnity Club Meets
With Mrs. Lowry

"Know Your Leaves" was a part of the entertainment when the Amnity Club met Oct. 19 with Mrs. R. D. Lowry. A number of leaves was gathered from flowers, shrubs, and trees, numbered and distributed among the guests to see who could identify them.

"Whispering Hope" was sung by Mrs. W. T. Davis and Mrs. Lowry with Mrs. Davis at the piano. Mrs. Henry Cone presided in the absence of the president at the business session. Roll call was answered by each telling her first name.

Refreshments were served in Halloween style to Mrs. W. E. Leach and Mrs. J. N. Seay, visitors, and to Mrs. W. T. Henderson, Mrs. Pennie Cox, Mrs. J. C. Dowd, Mrs. Mary Burtz, Mrs. R. E. Gill, Mrs. W. T. Davis, Mrs. W. I. Wester and the hostesses, Mrs. S. L. Terry, Mrs. C. I. Danner, Mrs. R. H. Long and Mrs. Lowry, members.

Pink & Blue Shower
Honors Mrs. Woolery

A pink and blue shower honoring Mrs. Jack Woolery was given in the home of Mrs. Sam Everitt, 2417 Juniper, Amarillo, Tuesday night, Oct. 23. Hostesses were Mrs. Don Bennett, Mrs. Willie Everitt and Mrs. Polly Ritchey.

Gifts were displayed on a table laid with white nylon net with blue satin trim over pink taffeta and baby bows of blue and pink. A large stork was used for the center with the gifts placed around it.

A white lace cloth draped the serving table which was centered with pink baby roses set in a blue cradle with pink ribbon decoration. The cradle played rock-a-bye-baby as the guest of honor entered. Favors were small storks in pink and blue atop individual cakes.

Forty guests attended or sent gifts during the evening.

Buy, Build, Live in Canyon!

Barlow Discusses
9 Amendments

Members of the Delta Kappa Gamma Sorority met with the Pi Chapter of Kappa Gamma for a dinner meeting at the Amarillo High School Saturday.

Miss Marilyn Payne of Canyon, president, presided at the meeting. Dr. Ima Barlow, professor of history at WTSC, discussed the nine amendments to the Texas Constitution that voters will soon vote on.

A large delegation from Canyon attended.

Mrs. Hodges Reports
On National Meeting

Mrs. Pat Stevens was hostess to the Edgetown Home Demonstration Club Friday. Mrs. R. A. Hodges reported on her trip to the National and State Home Demonstration Club meeting in San Antonio.

Present were Maude Walters, Mary Donnell, Myrtle Stratton, Myrtle Sparks, Lillie Foster, Janie Hines, Jeannette Robbins, Judy Gidden, Olga Phillips, Mrs. W. H. Gentry, Mrs. Hodges and the hostess.

Women's Auxiliary
Hears Education Talk

The Women's Auxiliary of the Presbyterian Church met Tuesday in the home of Mrs. A. E. Brown. Mrs. A. A. Clark presided over the business meeting. The Bible lesson was taken from Ephesians and was given by Mrs. John Burgess.

A round-table discussion on Special Education and Action was conducted by Mrs. Ernest Ulmer. Mrs. Ed Harrell gave the closing prayer. A card was signed to be sent to Miss Darthula Walker.

Mrs. Jones Hostess
To 1925 Bridge Club

Mrs. L. L. Jones was hostess to the 1925 Bridge Club Oct. 17 at her home east of Canyon. Chrysanthemums and roses decorated the entertaining rooms.

A salad course with sandwiches, cookies and coffee was served buffet style to Mrs. Gladys Marshall, Mrs. C. W. Wilkinson, Mrs. Pete Cowart, Mrs. Ray McReynolds, Mrs. Hud Prichard, Mrs. J. J. Walker, Mrs. John Williams, Mrs. T. V. Crounse, Mrs. Frank Barnhill, Mrs. Boone McClure, Mrs. Iverson Leake, Mrs. Newton Crain, Mrs. J. M. Daugherty.

Mrs. R. A. Neblett, Mrs. Joe Gibson, Mrs. Milton Morris, Mrs. W. A. Warren, Mrs. Hatcher Brown, Mrs. Glenn Dowlen, Mrs. A. K. Knott and tea guests, Mrs. Ross Craig, Mrs. Kermit Pond and Mrs. Floyd Tomlinson.

Bound Buttonholes
Are Demonstrated

Mrs. Lou Williams was hostess to the Canyon Home Demonstration Club on October 19. Roll call was answered by giving a helpful hint. Mrs. Elsie Higdon gave a demonstration on making bound buttonholes.

Refreshments were served to Lois Louder, Irma Money, Ann Weaver, Aileen Hardaway, Lulu Myers, Tootles Thomas, Louise Watkins, Laura Lou Miller, Dorothy Hunnicutt, Celeste Edwards, Ina Mae Wilson, Elsie Higdon, Sue Brown, Lou Williams and one guest, Mrs. Owens.

Mrs. Cole Is Hostess
To Variety Ring

Mrs. Margaret Cole was hostess to the Variety Ring Thursday afternoon. Needlepoint was the main interest of the social hour.

Refreshments were served to Mrs. Lydia Matsler, Mrs. Mary Hutchison, Mrs. Estelle Rice, Mrs. Rae Walters, Mrs. Gladys Pitt, Mrs. Mae Johnson, Mrs. Earl Burtz, Mrs. Emma Maxwell, Mrs. Roxie Hammons and the hostess.

The next meeting will be Thursday, Nov. 1, at the home of Mrs. Earl Burtz with Mrs. Mae Johnson as hostess.

CARD OF THANKS

We wish to express our heartfelt appreciation for the many acts of kindness, cards and floral offerings received during the illness and passing away of our mother and grandmother.

Mrs. Mabel Adams and family, Mrs. A. P. Sanford and family, Paul White and family, Mrs. J. W. Atkins and family.

Around the Town...

By MRS. CLYDE W. WARWICK

Talking with Virgil Martin the other day he told us that in Lubbock where they live the children say when they pass their house: "Those people who live there are queer. They don't have TV and in their house they have shelves on the wall and on the shelves they have things they call BOOKS and they read them."

The following playbill appeared in Paris where you can expect anything.
"LEICESTER PALACE THEATRE
FOLIES PARISIENNE
See... Nudes in the Waterfall...
Daring Fan Dance
Virgin and the Devil
Sensational Dance of the Strip
Apache, Les Beaux.
Mannequins de Parisienne,
Continental and Oriental Nudes
OLD AGE PENSIONERS
MONDAY."

Arch Hunsley, who owns two

miles of expressway frontage just north of Canyon, has proved that cultivated land can be returned to grass.

Most of Mr. Hunsley's land was farm land until a few years ago. Now, in spite of the drouth, most of his land is back in grass.

Mr. and Mrs. T. A. Black and Mr. and Mrs. Charley Irwin drove to Lubbock Sunday to see the chrysanthemums Texas Tech has growing. They said they were beautiful, well worth the trip and that there were a great many people there to see them. Mrs. Black said the field is about 100 feet long and that there were 15 or 20 rows of all colors and sizes. They were given a sheet and asked to select 10 they liked best and after frost the sheet will be mailed to them showing how many of their selections withstood the frost.

A summary of deaths from rare causes in Texas shows that the

stings of wasps and ants killed as many Texans last year as did rattlesnake bites.

Mr. and Mrs. P. V. Winstead, who lived in Canyon for 40 years, will celebrate their Golden Wedding anniversary Oct. 20 at their home in Siloam Springs, Ark. The Winsteds were married Oct. 20, 1906, in Hereford. They moved to Canyon two years later and lived here until 1948 when they moved to Siloam Springs. While living in Canyon Mrs. Winstead was associated with the Canyon News.

The Gold and White theme will be used to carry out the occasion. A lace cloth over a gold spread will cover the table which will be centered with an arrangement of anthuriums and bird of paradise flowers sent from Hawaii by their daughter, Mrs. S. G. Cook. A white, three-tiered cake with gold bells, tissue thin coconut chips from Hawaii, gold and white mints and coffee will be served.

Mr. and Mrs. Winstead have two daughters, Mrs. Cook, who lives in Hawaii where her husband is stationed with the Marines, and Mrs. J. C. Duke, who lives in Sundown, Texas. Two granddaughters, Galun Cook of Hawaii and Mrs. Leroy Collins, who lives in Siloam Springs, and two great-granddaughters, Judy and Susy Collins.

Mr. and Mrs. J. C. Duke will attend the anniversary, but Mrs. Cook will be unable to attend because of the distance.

Most of us who enjoy trees will join Thomas Thompson in his plea to the Highway Department: "Please, Mr. Highway Department, when you build the Canyon-Amarillo Expressway, try to save those beautiful trees at the foot of Canyon hill. There are so few trees, every effort should be made to save the ones we have." Trees have been spared in the building of other highways WHY CAN'T IT BE DONE HERE?

Mrs. J. J. Walker tells me that J. J. has been home in bed for three or four days suffering from rheumatism, of all things, in his EAR. But, when I called the drug store Tuesday he was at work and said he felt some better.

Mrs. Walker gave me this recipe for Orange Pudding which is delicious:

- 1/2 cup Crisco
- 1 cup of sugar
- 2 eggs. Mix these three.
- 1/2 cup sour milk
- 2 cups flour
- 1 ts. soda
- 1 ts. B.P.
- 1/2 ts. salt. Sift these last four ingredients.
- Grated rind of one orange
- 1 cup finely ground raisins
- 1 cup nuts. Mrs. Walker prefers it without the nuts.
- Mix all well. Put in a pan 13x8. Bake in 350 oven for 30 minutes.
- Topping: Juice of 1 orange
- Juice of 1 lemon
- 1 cup of sugar. Keep stirring these until sugar is dissolved, pour over hot cake. Let stand. Leave cake in pan it is baked in.

C. M. Dowlen tells me that on January 30 he will be 88 years young. Mr. and Mrs. Dowlen live at 2110 4th Ave. Mr. Dowlen came to Canyon when he was 21 years old and filed on a section of land just over the line in Deaf Smith County. In 1901 he and Miss Bertie Wade were married in Clay County. In 1908, the Dowlens moved to Collinsworth County, but came back

to Canyon in 1917 and have lived here ever since. They have one son, Glen Dowlen, who married Cortez Shepherd, and they live on the Dowlen farm southeast of Canyon.

Three grandchildren are Glen Jr. who is studying voice in the University of Louisiana, George who is studying law at Texas University and Marie who is in the seventh grade in Canyon.

Mr. Dowlen was born in LaMar County, Texas. He was one of 12 children, eight boys and four girls. Four of them are living today.

As far as Mr. Dowlen knows, there are only two people in Can-

yon who are older than he is. They are W. W. Clouch and H. W. Crain.

It seems unfair to me that the President of the United States should have to RUN FOR OFFICE. With all the problems of this office and with the important part the United States plays today in world affairs it is unjust to ask the man at the head of our government to spend time and effort running for office, especially when his opponent has no such burden. We should elect the President for a term of six or eight years and not allow him to be re-elected.

Even though I enjoy hearing him explain the functions of our government, our important place in the world, his peace ideas, the importance, to him, of each individual, the vital question of education and the many other things he brings to us, still I think this is too much to ask of a man who has the task of running our government.

So far, neither side seems to have found an issue to run on so are concentrating on getting the voters out.

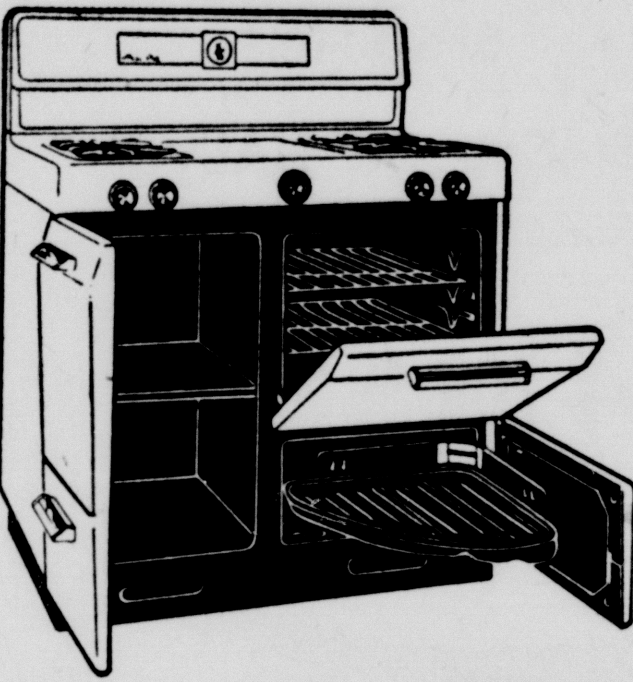

Let all bitterness, and wrath, and anger, and clamor, and evil

speaking, be put away from you, with all malice, and be ye kind one to another, tender-hearted, forgiving one another. Ephesians 4:31-32.

Never before in history has anything

built by man traveled so far in so short a time

—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under the supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal

to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no other cars have ever undergone, let alone successfully concluded.

Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.

The Eagle's Tale

31st Year Published by The Canyon News for Canyon High School Wednesday, October 24, 1956

Whoopie!!

We're gonna have a homecoming. We're gonna have a homecoming. Yes, Canyon High is having a homecoming this year. Because the students of CHS wanted and asked for a celebration of this type, a committee composed of representatives from the student body and the faculty voted to sponsor one. This year, because there is no ex-student association, the school must register the exes, entertain them, and keep on with the classes. This puts a heavy responsibility on the students. If we can't do a good job of planning and carrying out the homecoming, it might be dropped. But on the other hand if we do an outstanding job, the celebration may be enlarged and improved. If you are called on to help in some way, pitch in and work. It may be a job which makes the headlines or a task that is of minor importance but must be done. But it all goes to make a good homecoming. That's what everyone is wanting.

Calendar

- October 26 Eagles-Bobcats, Dimmitt, 8 p. m.
- October 27 Fall Festival, CHS, 7 p. m.
- October 30 Band marching and twirling contest, WTSC, 7 p. m.

Oh, True, True

The study of English for me is a constant struggle, you see. The teacher's all right. If we don't have a fight, But I'm glad when it's half past three.

Notebooks

Note books to some people mean just a mess. Note books to others mean, well you guess. Some books are neat as a pin. And then there are others you just can't get in. One thing to remember, whatever you do. Your note book is one way that people judge you.

SIGN NEAR SCHOOL — "Watch for students especially if they are driving cars."—Selected

To "eat like a bird" would mean to eat one's own weight in food every day.

The Eagle's Tale

Published bi-monthly during a school term by members of the journalism class of Canyon High School. Published by The Canyon News for Canyon High School since 1925. Member of the Panhandle High School Press Association, Interscholastic League Press Conference, and Quill and Scroll. Winner of the 1952 PHSPA Community Service Award. First place 1956 PHSPA General Excellence.

TALA Sends 22 To District Meet

Twenty students and sponsors journeyed to Tulsa Saturday, Oct. 13, to attend the District 1 Teen-Age Library Association.

Pat Haley was elected secretary for the district which covers 44 counties. Seventeen junior high students presented a skit on 'Books for Summer.' A copy of the script of the play has been requested in order for it to be put in the library club's state activity book.

Mrs. Linnie Harter, sponsor of the junior high school book club, was the adult sponsor of the resolutions committee. Pat Haley was also a member of this committee.

The morning session consisted of reports on state activities, entertainment by members of the Tulsa High School student body, and four skits on books for the whole year. Following the morning session was a luncheon in the Tulsa cafeteria. The election of officers took place in the afternoon session. Attending from the junior high school was Jimmy Harding, president and voting delegate, Pamela Richards, Pat Haley, Ocoee Johnson, Robert Ray Henry, Joe Whittington, Kay Bond, Peggy Sue Hales, Frances Kiker, Lynne Larson, Marian Henson, Billy Hales, Clark de Schweintz, Kay Boydston, Virginia Crounse, Candy Throckmorton and Nancy Cleavinger.

Senior highers in attendance were Bill Cornette, president, Margaret Lee Johnson, and Betty Ray Campsey.

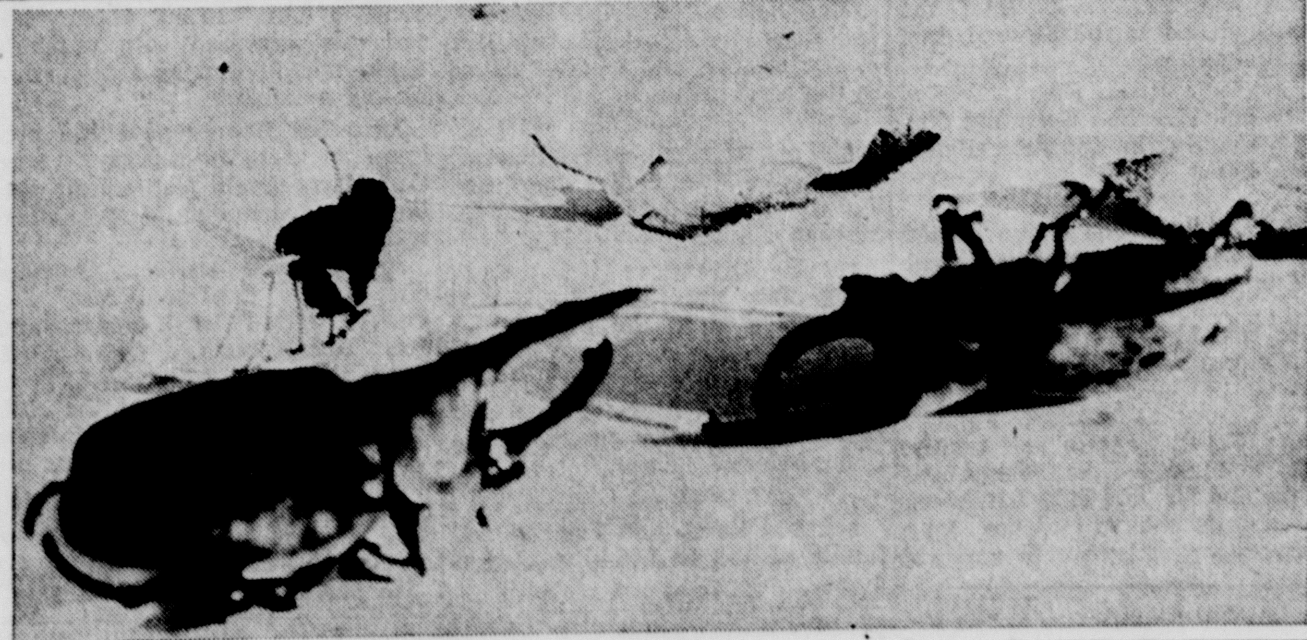

Seniors Smile, Pose For Birdie

Seniors put on their biggest smiles last Tuesday, October 23, when a Marquise Studio photographer was here flashing senior portraits. The picture-taking started at 8:30 and continued until 4 p. m. Marquise Studios of Enid, Okla., have been making senior portraits for 25 years and have established a reliable reputation.

Canyon High School has a five-year contract with the studio. In the spring the junior class may decide whether or not to accept this offer for making senior pictures.

There have been two advantages to the contract with this particular studio, making a picture free of charge of each senior for the annual and the picture is placed in a frame to be put in the school at no charge.

Prof: "Give three collective nouns." Student: Wastebasket, flypaper, and vacuum cleaner.—Selected

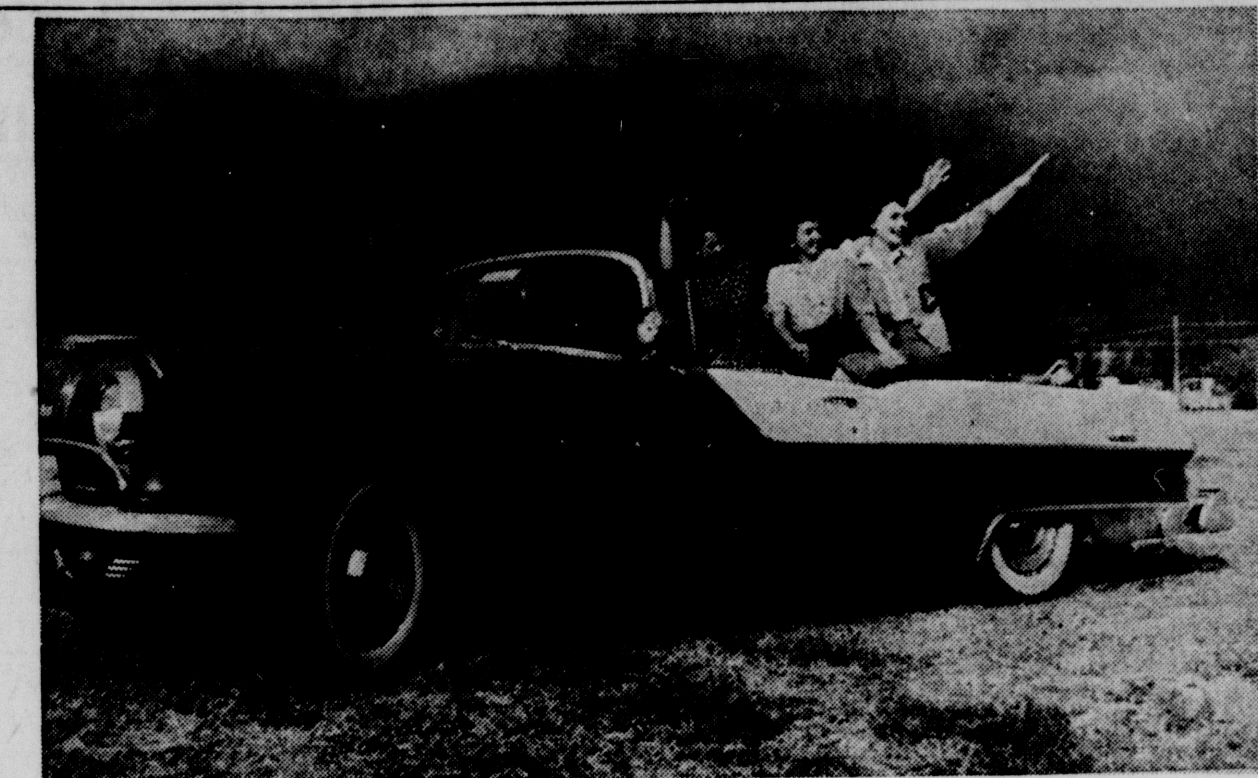

Students From Happy Visit Here

"How are your Student Council representatives elected?" "What are their qualifications?" are examples of the type of questions Happy High School Student Council members hurled at CHS representatives on October 16 at a joint meeting of the two organizations. Organizing a student council is a new step for Happy High, and the newly elected student council officers and members felt a need for observing a student council in action.

Orrell Vice is president of the Happy Student Council; Tommy Womack is vice president, and Lana Henry is secretary. In all, 10 Happy students were present. Showing the cooperation between the two councils, a picture was taken of the two presidents shaking hands.

"S.O.S." has no literal meaning, but was chosen as a distress signal because of its ease in transmitting.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

Saluting the student body are the three candidates for the crown of Football Queen. From left to right are Mary Sue Bolton, Lynn Atkinson, and Marcus Robinson. The queen, elected by secret ballot of the football team, will be announced at the Homecoming game against Muleshoe, November 2.

3 Vie For Queen Title

Football queen candidates to be presented at the Canyon-Muleshoe Homecoming football game are Marcus Robinson, Lynn Atkinson, and Mary Sue Bolton. These girls were nominated by the football team on October 16.

The queen's identity will remain unknown until she and her two attendants, riding in a convertible, will be presented at the half-time on Friday night, November 2. Her highness will be elected by the football players and crowned by Tommy Davis, Student Council president.

646 Take Out Insurance Policies

A total of 646 students and teachers from the Canyon educational system took out school insurance policies at the cost of \$2 per policy.

Canyon Elementary School has the highest number enrolled, 321. There are 169 high school students and 156 junior high school students and teachers enrolled for policies.

Students and teachers enrolled in the plan will be covered at school, on their way to and from school, or on school sponsored activities. Payments will be made for an injury or illness caused by a school activity.

The National Educators Life Insurance Co. of Fort Worth made the policy available to the school system.

Unicorns Battle It Out in CHS

There was a clashing of horns as the two beasts hurled themselves at each other. The one with the blue-black horn was piercing the back and head of the other. The enemy hurled himself forward and gouged a rugged hole in the side of his opponent. There was a final lunge and the smaller plunged to the earth in his last struggle.

The Unicorn turned and looked with fiery red eyes of hate at his victim. With a last maddening charge . . . he fell never to fight again. No, this is not a Greek play of some mythical unicorn, but there is really a unicorn beetle. This beetle is over 1.5 inches long. It is usually greenish-gray with brown or black spots scattered irregularly over the elytra. The color changes as it may be in the different regions of the world. It is found in and around the Mississippi River area.

The CHS students observed the beetle in biology classes. Some of the students said that it was hard to believe. One girl was heard to say that it was impossible, but she would believe the impossible this time.

All three queen candidates are active seniors.

Marcus Robinson, an interesting senior, has been president of FHA, earned a State Homemaking De-

Registration

Alumni of Canyon High School coming to the Homecoming festivities on November 2 are requested to register at one of the three places which will be provided.

Exes visiting the school may register at a table on the main floor between the auditorium doors.

On Friday night at the Canyon vs. Muleshoe ballgame a registration table will be available for those who have not registered earlier in the day.

During the social at the high school following the "tug o' war," exes may register.

Dancing flames and leaping tongues of fire will light up the night filled with eerie Muleshoe spirits on Thursday, November 1, before the Eagles-Mules tussle on Friday night. A bonfire at 7 p. m. on the vacant lot west of the high school is planned to liven up the student body, and to help exes relive some of the vivacity of the "good ol' days."

This 30 minute pep rally is to be packed with surprises and animation, and all exes are most heartily invited to join in the fun.

Washers Play Goes to Finals

Bob Zachry and Weldon Tuck, Ronnie Hughes and Mike Poole, competitive teams, played in the finals for the championship Monday, October 22.

Competing in the semi-finals Friday, October 19, were Gerald Free and Charles Neblett, Bob Zachry and Weldon Tuck, John Mann and John Menke, and Ronnie Hughes and Mike Poole.

The intramurals this year, directed by Mr. Ray C. Wells, got into full swing October 15. Intramurals offer a variety of competitive games for all students of CHS during the noon hour of every school day.

This year the game of washers is the first contest being played. In this game two teams, consisting of two players each, compete at throwing washers at a hole. The winner of two out of three games will compete the next day and the loser is eliminated. Thus the school champion team is determined.

Other games to be included in the intramurals series are horseshoes, volleyball and baseball.

gree, was vice president of the sophomore class, a member of the Junior Who's Who, a two year member of Student Council, on the basketball team, now is the treasurer of the senior class, and a member of NHS.

Lynn Atkinson, having a striking personality, was a football queen attendant of 1954, FHA reporter, junior class treasurer, junior class favorite, and senior class secretary.

Mary Sue Bolton, a vivacious personality, is a cheerleader, was the class secretary her sophomore and junior years, sophomore favorite, FHA member, basketball player, and basketball queen of 1956.

The names of the Samuelson brothers got mixed up in the last edition concerning the leadership of "The Sainly Six." Norris Samuelson is the director, and Bobby Samuelson is a member of the band.

14 Begin Work On FHA Degrees

Fourteen CHS girls are working for FHA State Degrees in the 1956 school year.

Juniors and seniors who will apply for state FHA degrees are Jackie Barnard, Florence Clement, Mary Sue Bolton, Virginia Walker, LaVerne Riley, Arlene Bagley, Karel Johnson, seniors, Mary Louise Higdon, Mary Gladys Marshall, Beverly Henson, Patricia Hardaway, Gwen Kelso and Gayle Welch, juniors.

The first step in making application is the forming of personal goals to work toward this year and the reason for choosing each goal. The accumulative record should include these: school, community, and church activities.

Third year homemaking students have just completed a six weeks unit on building and furnishing a home. During this study the students visited and talked with several home owners. Homes in Canyon visited were those of Mrs. Ray Lyles, Mrs. Lee Foster and Mrs. K. L. Pond.

Mr. Clarence Thompson explained wood and furniture styles and furniture construction to the group. Students also observed accessories for the home during their visit to Thompson Hardware.

October 17 this group visited the Hamlet addition of homes in Amarillo. There they were shown the stages of construction from the laying of the foundation to the finished home. Modern fabrics were explained to the students at White & Kirk. J. W. Hill, of the J. W. Hill Furniture Store, showed the girls through some completely furnished rooms in different styles of furniture.

Janet Taylor Speaks at Game

Janet Taylor, junior, delivered the pre-game talk at the Littlefield football game October 12. Her talk was on football courtesy and good sportsmanship. In her closing words she asked everyone to drive carefully and keep the evening free from tragedy. She expressed appreciation to the Littlefield fans for the hearty welcome given the Canyon fans.

Wedding rings are placed on the third finger of the left hand because of an old Egyptian belief that a nerve ran from that finger to the heart.

Fall Festival Slated For Saturday At Junior and Senior High Schools

The Fall Festival will be held Saturday, October 27, in the junior high school gym and the high school area. Doors will open at 7 o'clock.

Renamed the Fall Festival this year, the old Halloween Carnival is no more. Because the carnival is being held on Saturday and not on Halloween, the change was made. The Festival is sponsored by the Parent-Teachers Association.

FTA Installs New Year Members

During the last several weeks FTA officers have been working to get new members into the club. A bulletin containing information about FTA and some qualifying questions was passed out to each student in CHS. Students who expressed a desire to join the club received a letter of invitation to the first club meeting.

On Monday night, October 15, the following officers were installed: Theresa Mickey, president; Virginia Walker, vice president; La Verne Riley, secretary; Joyce Shelnett, treasurer; Norma Glenn, reporter; Liston Coleman, historian; and Bonelle Riley, parliamentarian. Mrs. T. E. Beard, former FTA sponsor and present FTA council member, installed the officers in a candlelighting ceremony. She was introduced by the FTA sponsor, Mary Carter.

Yellow and green ribbon bows, FTA colors, were pinned on 19 new members. Four new members were absent.

FTAs were reminded of the district FTA meeting to be held at WTSC November 6.

Band Hopes High For Good Rating

With their hopes glued on another first division rating, the Canyon High School Band can be seen early in the morning and late in the evening marching up and down, maneuvering about and practicing with enthusiasm for the annual band contest to be held at Buffalo Stadium October 30.

Judges for the contest will be Jack Lee of the University of Arizona, Jim Jacobsen of Texas Christian University, and Bill Rhoades of the University of New Mexico.

Ratings which the bands will receive will actually be a grade of the individual band. Two-thirds of the grade is based on marching and one-third on playing. A trophy will be awarded to the bands making a first place division. Certificates will be given to second and third division bands.

A twirling contest will be included. This year four Canyon twirlers, Carolyn Glanton, Ann Jarrett, LaVerne Riley, and Florence Clement, will compete.

Extra rehearsals for the band will continue through this week.

Benjamin Franklin designed a dollar made of silver, brass and pewter, bearing the motto, "Mind Your Own Business," and minted in 1776.

Each class or school organization will sponsor a booth. Community organizations may sponsor booths if they desire. The booths will be in the junior high school gym and in a few classrooms. Half the proceeds from each booth will go to the P-TA. The remaining half goes to the class or organization sponsoring the activity.

Hot dogs, sandwiches, cakes, pies and drinks will be available in the high school cafeteria. Parents are asked to donate cakes and pies. These donated sweets should be brought to the cafeteria by 6 p. m. on the 27th.

Highlight of the event will be the election of the Fall Festival Queen. From 7 to 8:45 p. m. voting will be carried on in the gym on four high school girls, one from each school class. Candidates are Cecilia Waters, senior, Nancy Wiggins, sophomore, Janet Taylor, junior, and Donna Caskey, freshman.

Anyone may cast as many votes as he wishes. Each vote is a penny put in the box of the chosen candidate. At 15 minute intervals the votes will be counted by a committee of adults from the faculty. Except for the 15 minute period preceding the closing of voting, the latest count will be posted.

At 9 p. m. a coronation ceremony will be held in the high school auditorium. At that time the winner will be announced. Admission of 25 cents will be charged.

\$2752 Flows In Junior Coffers

Subscriptions totaling \$2752.77 were sold by the juniors to climax the annual magazine sales for this year.

The juniors sold 619 subscriptions from September 30 to October 9. Weldon Tuck was the high salesman with a total of \$178. Runnersup were Mac Boswell, \$177; Janet Taylor, \$161; Beverly Henson, \$156; and Traverne Gillham, \$110.

Several drawings of names were held from time to time during the sales campaign. The winners were Mac Boswell, panda bear; Weldon Tuck, spy camera and flash camera; and Jim Fanning, \$10. An ice cream party for the juniors who had reached their personal quota was held the second day of the sales.

The junior class received 30% of the price of magazine subscriptions sold. A limited number of subscription titles earned 50%.

Magicians Come For Performance

Magicians were in Canyon High School on October 18. They were Torrini and Phyllis, another of the fine performers from the Southern School Association. Torrini chose two helpers from the audience, Lynn Atkinson and Meade Humphries, to help him with his act. Phyllis told a story about "Why the Fire Engine is Red." She also did some "knotty" tricks.

Torrini drew some comedy cartoons with chalk. The pictures, in many different colors, were drawn from letters, numbers, and different objects.

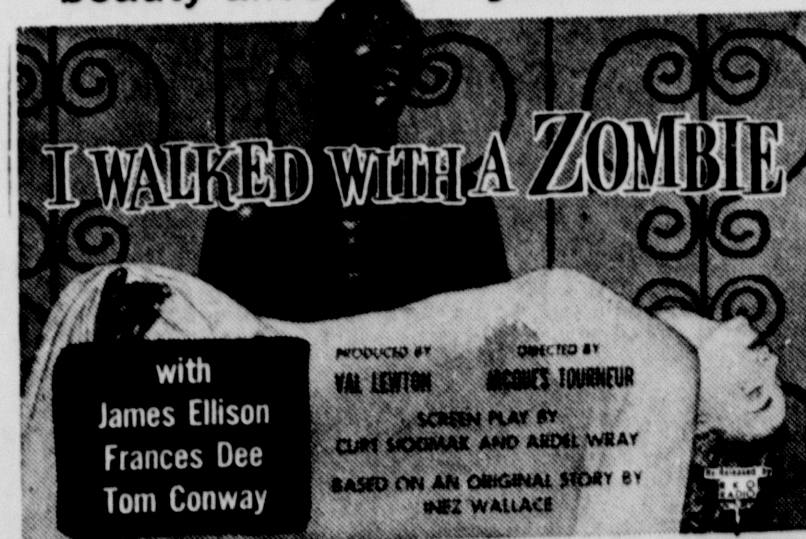

Scholarship Test Given To Seniors

The National Merit Scholarship Qualifying Test was given to several seniors of CHS at 9 a. m. October 24.

This test is a searching two hour examination designed to measure the verbal and quantitative power related to success in college. One hour was devoted to English. The second hour was devoted to other subjects, such as math and science.

Those who had indicated that they might take the test were Annette Dugan, Marcus Robinson, Brian Tolliver, Theresa Mickey, Francis Boyd, Royce Gum, Laverne Riley, Leo Rigsby, and Wilfred Taylor.

BSU Sponsors Campus Hayride

Three trucks pulled away from the Baptist Student Center last Friday night loaded with singing and laughing collegiates on the Baptist Student Union's Campus-Wide moonlight hayride.

The group rode to McSpadden's Lake as special guests of Sgt. Brown and on arrival were fed "hobo stew" from a giant iron pot. Hot biscuits and other solid fare were served.

Mary Ann Becker, Pampa freshman, led group singing accompanied by Linda Franks from Olton. Manual games and stunts by Mary Jo Smith, Petersburg freshman, Karl Craig, Plainview sophomore, and "Sam" Hamby, Olton sophomore, preceded campfire services. Leabell Sluder, junior student from Olton, brought the inspirational on "How to Know God's Will For Your Life."

According to Author Brewer, Baptist Student Center director, the next campus-wide social for the Baptist student group will be "The Favorite Professors Breakfast" before Thanksgiving holidays.

Mrs. Jeff Wallace returned Monday afternoon from a week's visit with her daughter and son-in-law and grandchildren in Albany.

Noah Webster began writing the dictionary in 1807 and finished in 1828.

The Panama Canal is 300 feet wide and 45 feet deep.

Hinders Cow Sets Production Record

Tierra Blanca Carnation Piebe, a registered Holstein-Friesian cow owned by Louis Hinders, has set a new state production record in herd improvement registry.

The Holstein-Friesian Association of America has announced that this cow now leads all Texas Junior two-year-old Holsteins ever milked twice daily with a production of 19,634 pounds of milk and 692 pounds of butterfat.

The record is more than three times greater than the average annual output of 5,815 pounds of milk and 224 pounds of butterfat of the average U. S. dairy cow.

Mrs. Roy Lyles Is Ruth Class President

The Ruth Class of the First Baptist Church met recently in the home of Mrs. Wayne Wirt. Mrs. Roy Byrd Sr. installed officers after election using the theme "Trees."

Installed were Mrs. Roy Lyles, president; Mrs. Louise Dawson, first vice president; Mrs. Noal Clemmons, second vice president; Mrs. Bernard Warren, secretary; Mrs. Easton Wall, social secretary; Mrs. Wayne Wirt, Mrs. Jack Livesay, Mrs. Carroll Vaughan and Mrs. Bill Fonti, group captains.

Ice box cake and coffee were served to Nadine Burrows, Mrs. Fonti, Mrs. Dawson, Mrs. Lyles, Mrs. Vaughan, Mrs. T. H. Knighton, Mrs. Livesay, Mrs. Byrd and the hostess.

33 Teachers Included on Panels For Campus Conference Saturday

WILSON LANE

Some 33 teachers from seven Panhandle cities will assist discussion groups during the eighth annual campus conference for elementary teachers Saturday at West Texas State College.

Wilson Lane, principal of the Emerson School in Amarillo, will be main speaker for the session to open at 9:30 a. m. in the Administration Building auditorium. He will talk on individual differences in grade school children.

There is no conference fee, according to Dr. Ruth Lowes, WT professor of education, and parents are invited to attend.

Discussions in language arts, arithmetic, physical education and health, social studies and sciences, the arts, discipline, and parental attitudes, will be held at 10:45 a. m.

Discussion leaders include Mrs. Bobbie Altmiller of Pampa; Mildred McGee of Phillips; Della Stagener, Fred Cunningham and Mrs. Lottie Wertenberger, all of Hereford; Mrs. Alleen Ledbetter and Eugene Hill of Dumas; Anna Belle Cox of Happy.

Mrs. Allegra Bush, Mrs. Wilma Boothe, Gertrude Elliker, Mrs. Violet DeWolfe, Esther Boulware, Louise Orr, Mrs. Alice Madore, Mrs. Blair Jones, Mrs. Laura Sue Jean, D. H. Boyles, Lofton Thomas, Donald Dickerson, Charles Eades, Neville Bremer and Mrs. Harryett Heron, all of Amarillo.

Sarah Thompson, Mrs. Ocoee Holt, Mrs. Audrey Jones and Mrs. Ples Harper, all of Canyon; and Ruth Cross, Emilio Caballero, Kenneth Waugh, Charles Wright, and Mary Ruth McCulley, all of WT.

We, the Pharmacists of Canyon, after due consideration have resolved to discontinue the use of trading stamps.

We feel that in fairness to all our customers that it is better to steadfastly maintain competitive prices on resale merchandise than to be forced to increase these prices for reason of increase in both trading stamp prices and the current trend of manufacturers' price increases.

Stamps will be continued through the month of October and on accounts paid by the 10th of November.

Canyon, Texas

THE CANYON NEWS

A Sport Reports

By DICK KRANZ

There were no surprises in the opening round of District 1-AA play, though Muleshoe came so close to upsetting the Olton Mustangs, the Mustangs probably still shudder thinking about it.

Olton won, 7-6, with a 57-punt return by Teddy Jack Estes doing the trick in the third quarter along with the successful conversion by Jack Straw. The Mules had a touchdown called back in the third period and finally scored in the fourth quarter, but missed the extra point.

The big game Friday will pit the promising, upcoming Dimmitt Bobcats against the district's kingpin Canyon Eagles at Dimmitt. The Bobcats have swept to three straight wins after having lost their first three of the year.

Canyon, in winning 41-0 over Tulia's Hornets, was without the services of the district's leading scorer Don Britain and Britain may also miss the Dimmitt game. The Eagles have reorganized their backfield with Charles Neblett, a quarterback, switching over to halfback along with George Snapp and Harlie Adams going to fullback and A. L. Pruett working at quarter-back.

Despite being out last Friday, Britain still paces the district in scoring with 65 points while teammate Adams is next with 60 and Dimmitt's Keith Lowe, a 145-pound speedster, is third with 56 points. David Price of Olton has 46 points in fourth place.

In Friday's games, Canyon will be favored over Dimmitt; Olton will be the choice to hand Tulia its seventh loss; and Muleshoe gets the nod over the Dalhart Wolves.

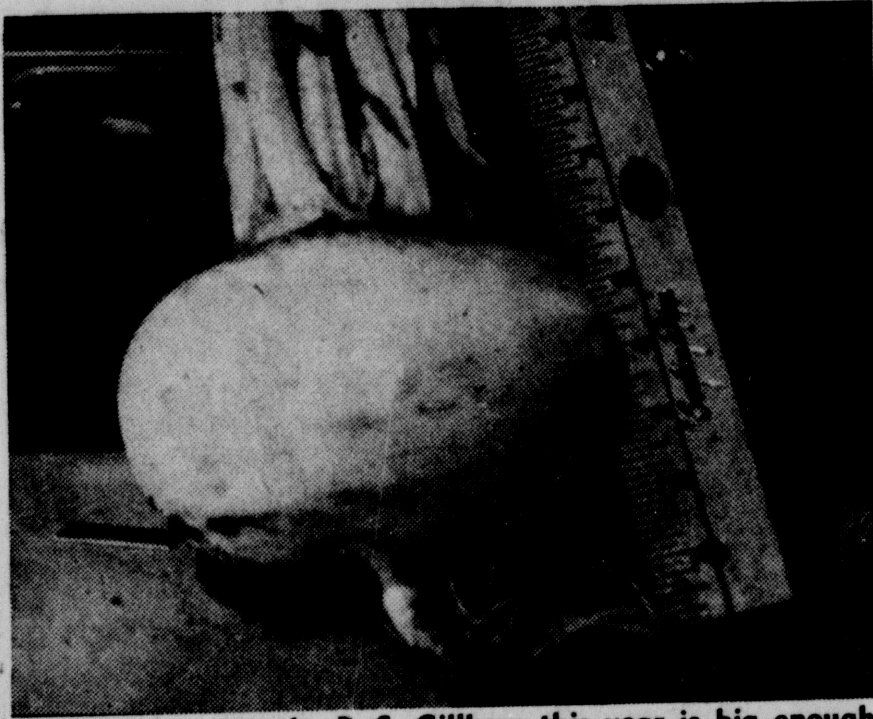

★ ★ ★
District 1-AA records are (conference games only): Canyon 1-0; Dimmitt 1-0; Olton 1-0; Tulia 0-1; Muleshoe 0-1; and Dalhart 0-1.

★ ★ ★
LOOKING EVERYWHERE AND NOWHERE: In writing about the 7-6 win of Texas A&M over Texas Christian, Lorin McMullen of the Fort Worth Star-Telegram wrote, "It wasn't in the cards for any team to leave so many men on bases and win. Texas A&M hit when it counted. That's a simple sum-up for what surely must have been the wildest, stormiest, windiest, rainiest 7-6 football game ever played in the Southwest Conference."

★ ★ ★
Thirty-six undefeated teams remain in Texas high school football ranks with four, Palo Duro of Amarillo; Phillips, Lockney and Stinnett, from the Panhandle area. Biggest surprise in that group is the Palo Duro Dons.

A&M-TCU quotes, "I know there have been better football teams," said A&M coach Bear Bryant, "but I don't believe

Turnips for a Family

One turnip grown by F. S. Gillham this year is big enough to provide an entire family with a mess of greens and turnips. The turnip, which measured six inches across and four inches tall, weighed four pounds. Gillham has two acres of turnips located four miles south of Canyon.

there's ever been a team (A&M) with more guts." TCU coach Abe Martin said, "I think we would have won if we hadn't tried to score again. But who knows?" He was thinking about a pass by Charles Curtis in the fourth quarter which A&M intercepted giving the Aggies the ball on the 20 from where they went touchdown marching.

West Texas State's mighty Buffaloes are one of three undefeated and untied college teams in Texas. And fullback Charlie Sanders of the Buffs now has 12 touchdowns in five games. Sanders is a stomp-type runner and extremely hard to stop. The present Buffalo backfield of Bubba Hillman at quarterback; Dave Corley and Ronnie Mills at halfback; and Sanders at fullback is one of the better ones in West Texas history. And when bruising 210-pound Bob Ratliff overcomes a leg injury, the Buffalo backfield will be even tougher.

West Texas has an open date this weekend and then takes on three tough Border Conference foes, Arizona, Hardin-Simmons and Texas Western. In games with this trio last year, the Buffs came out with a tie and two defeats.

You can bet Oklahoma's Sooners will really open their offensive guns on Notre Dame Saturday afternoon. The Sooners must top the 47-14 victory by Michigan State over the Irish or lose the top ranking in the nation to the Spartans.

How sad can things be in the Big Seven when Kansas alums claim a moral victory because the Jayhawks scored two touchdowns against the Sooners who made 34 points.

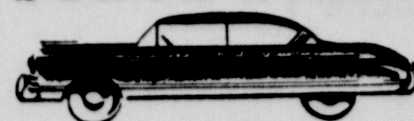

★ ★ ★
On television this weekend, KGNC-TV will carry the Oklahoma-Notre Dame game Saturday afternoon; KFDD-TV will televise the Washington Redskins at Chicago Cardinals game (we think) Sunday afternoon and KGNC-TV will have the fights Friday night.

★ ★ ★
DISTRICT 1-AA schedule: Friday - Canyon at Dimmitt; Muleshoe at Dalhart; Tulia at Olton. Last weekend's results: Canyon 41, Tulia 0; Dimmitt 26, Dalhart 13; Olton 7, Muleshoe 6.

BORDER CONFERENCE schedule: Saturday - Texas Tech at Arizona; San Jose State at Arizona State; Hardin-Simmons at Tulsa; Texas Western at New Mexico A&M; West Texas State open date.

I GIVE YOU TEXAS

By BOYCE HOUSE

Byron Parrish was chief of police in Ranger during the oil boom and he cleaned up the town, ridding it of "bad men," including the leader, whom he disarmed, whipped and gave hours to depart.

But with the coming of law and order, the majority of the city commission decided that the methods of the former Texas Ranger were too rigorous and so, one day, when he was out of town, a special session was held and he was discharged.

Nearly 10 years later, while I was in Stephenville for a murder trial, the man who was police commissioner in Ranger during the boom was there as a witness and, during a recess, we chatted in the corridor of the old courthouse and he told me about it. He said:

"As police commissioner and also Parrish's friend, I was given the job by the other commissioners to break the news to him that he had been dismissed. But when he got back to town, he heard about it right away and he came storming into my office. I was seated at a table and tried to calm him but he was in a rage. I protested that I was his friend but this had little effect.

"Then I got a little irked myself and said, 'You are armed —' but I got no further. Parrish, who was standing, drew a pistol and slid it across the table. 'There's a gun; pick it up,' he said. But I just let it lay there. I knew how quick he was on the draw and how straight he could shoot.

"Gradually, he became calmer and we parted on good terms.

"In a day or two, he left Ranger."

The boom-day police commissioner emerged unharmed from the clash with the gun-fighter but was destined to meet a violent death. He owned a ranch near Ranger and drove into town almost daily. One day, while driving across the railroad track near town, he was struck by a train and killed.

A man laid down a book in disgust, and said, "I can write a better novel than that." "Then why don't you?" his wife challenged. He had never written anything but he proceeded to write "The Last of the Mohicans." He was J. Fenimore Cooper, of course, as every school-boy knows.

Mr. and Mrs. Jim Carter were Sunday visitors in the home of Mr. and Mrs. Ira Ricketts of Hereford.

Mrs. J. H. Buchanan left Monday morning to visit her mother, Mrs. C. J. Miller, in Quanah until Thursday.

Vegetable Salads Topic of 4-H Club

The Wayside Cloverleaf 4-H Club met at the school Oct. 16. Miss Fain, home demonstration agent, demonstrated the making of vegetable salads. Food project sheets were passed out. Frances Heisler presided at the business meeting and Nancy Schrib led the ritual.

Present were Patsy Schrib, Polly Cummins, Nancy Schrib, Lorraine Newsom, Frances Heisler, Marilyn Wetzel, Martina Longoria and Sherlow Bockelman. Mrs. A. J. Newsom and Mrs. James Bible are the local leaders.

The next meeting will be Oct. 30 at the school.

Town & Country Club Plays 88 at Party

Members of the Town and Country Club played "88" during a party at the home of Mr. and Mrs. M. B. Brown last Thursday.

Refreshments were served to Mr. and Mrs. T. G. Lair, Mr. and Mrs. Albert Byars, Mr. and Mrs. Edd Reynolds, Mr. and Mrs. Jack Foster, Mr. and Mrs. H. W. Burrus, Mr. and Mrs. John Cook, Mr. and Mrs. John Jennings, Mr. and Mrs. Glen Costley and Mr. and Mrs. L. T. Campbell.

Belt Loops Crochet Shown 4-H Girls

The Umbarger 4-H Club met in the school hall Oct. 16. During the business session new officers were installed with Bernice Prillas as president, Peggy Albracht, vice president, Virginia Friemel, secretary, Evelyn Hoffman, reporter, and Phyllis Friemel, song leader. The treasurer and council delegate will be elected at the next meeting.

Mrs. Mona Hildreth, home demonstration agent, showed how to crochet belt loops for dresses and gave a general talk on clothes.

The next meeting will be Nov. 20.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: FRANK HINGLEY, Defendant,

Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th Judicial District Court of Randall County at the Court house thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 10th day of December, A. D. 1956, to Plaintiff's Petition filed in said court, on the 18th day of October, A. D. 1956, in this cause, numbered 3218 on the docket of said court and styled BESSIE CANTRELL HINGLEY, Plaintiff, vs. FRANK HINGLEY, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: a suit for annulment as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this 22nd day of October, A. D. 1956.

ATTEST:
MAVIS HILL, Clerk

Three Piano Recitals Presented in Happy

The Music Club of Happy presented a Three Piano Recital Oct. 19, at 2:30 p. m. in Fellowship Hall of the First Baptist Church.

Mrs. W. E. Flaherty presided at the guest book as the guests entered the autumn decorated hall.

Mrs. Ernest White welcomed the guests and introduced Mrs. Cortez Dowlen, Mrs. Mary Dell Toles and Mrs. Royce Vernon, pianists, who presented Concerto for Three Pianos by Mozart, Marche Militaire by Schubert, To A Wild Rose by MacDowell, The Nutcracker Suite, Miniature Overture, March, Dance of The Candy Fairy, Flower Waltz by Tchaikowsky, Magauena by Lecuona.

Refreshments were served to Mrs. Herbert Wilkes, Mrs. Embury Finley, Mrs. Edgar Patching, Mrs. Pete Whitlow and Mrs. Ernest White.

Sewing Center Is Subject of H. D. Club

The Fairview Home Demonstration Club met with Mrs. J. W. Wesley on Oct. 19. Mrs. Wesley presided at the business meeting and later the group played a game.

Mrs. Mona Hildreth, home demonstration agent, gave a discussion on "The Sewing Center."

Punch and cookies were served to Annie Wesley, Serena Bryan, Georgia Rogers, June Foster, Grace Schaeffer, Evelyn Shipman, Madge Sutton, Lizzie Wesley, Edna Wilson and La Venia Amerson.

Current Theatre Subject Book Club

Miss Edna Graham and Mrs. Charles Harter presented the program at the October 10 meeting of the Woman's Book Club. "Current Theatre" was the program subject, and Miss Graham discussed Musicals and Mrs. Harter discussed Dramatic Plays.

Mrs. L. A. Donnell, president, presided over a short business meeting.

Members answering roll call were Mrs. Alfred Bellah, Mrs. H. A. Brown, Mrs. Ray Campbell, Mrs. A. A. Clark, Mrs. S. H. Condon, Mrs. James P. Cornette, Mrs. John Davis, Mrs. L. A. Donnell, Mrs. Joseph Findley, Mrs. K. E. Frieze, Mrs. Joe Gibson.

Miss Graham, Mrs. Harter, J. W. Kleinschmidt, Mrs. T. H. Knighton, Mrs. S. B. Louder, Mrs. T. S. Maxwell, Mrs. Frank Morgan, Mrs. C. A. Murray, Mrs. Irving SoRelle, and Miss Darthula Walker.

Wong, used by at least 150,000, 000 Chinese, is the world's most common family name.

Sell your milo for more...through hogs!

Here is a real money-making opportunity for the farmer who holds onto his milo this fall:

Many growers have found they can balance milo with Purina and make a double cash crop by turning milo into pork. Feeding tests show it takes only 305 pounds of milo and 45 pounds of Purina Hog Chow to produce 100 pounds of pork.

The chart below gives you an idea of what your milo is worth when fed to hogs with Purina:

Price of Hogs	Return per 100 lbs. of Milo
\$18	\$5.01
17	4.68
16	4.36
15	4.03
14	3.66
13	3.36

SPECIAL OFFER TO PURINA FEEDERS!

\$2.50 value PIG EAR NOTCHER... Free of cost with your order of 500 lbs. of any Purina Hog Ration, or any combination of Purina Hog Rations.

Get your free ear notcher while your Purina Dealer's supply lasts! FREE with the purchase of 500 lbs. of any of these Purina Hog Rations:

PURINA HOG CHOW • PURINA HOG FATENA
PURINA PIG STARTENA • PURINA BABY PIG CHOW
PURINA SOW AND PIG CHOW

Your Purina Dealer is the man to see! Ask him for his profit-making recommendations this week...on feeding milo to hogs THE PURINA WAY!

Canyon Wins 41-0 in District Game

Using a different backfield line-up, the Canyon Eagles swamped Tulia 41-0 Friday night in the opening District 1-AA game for both teams. Tulia was held to only 54 yards on the ground and 10 in the air as the Eagles won their fourth football game of the season.

With Don Britain out of the game due to ineligibility, George Snapp was brought into the starting lineup, and quarterback Charles Neblett was switched to the other halfback position when Harlie Adams was injured the first time Canyon got the ball in the game. A. L. Pruett took over the quarterbacking chores with aplomb.

Starting from a position where his speed could be of good advantage, Neblett had a field day. He made three of the six touchdowns, one on an 80-yard pass, and kicked five of the six extra points.

Adams returned to the game late in the third quarter, just in time to run seven yards across the goal line for a touchdown, and then made another score as the game neared its end.

Snapp made a racing, twisting 59-yard punt runback for the sixth score, which came midway in the last quarter.

Tulia received the ball at the beginning of the game, and returned it to the 17, after fumbling on the 4 yard line. They moved it to the 34 in five plays, then punted to the Canyon 34, where Adams pulled it in and raced back to the 43, where he was tackled.

Adams was injured on the play and was taken from the game.

Running at halfback, Pruett made five yards to the 48 and Snapp went to the 50. Neblett carried 10 more to the Tulia 40 for a first down. Boydston went for five and Pruett took in 17 more to the 18.

He lost two, then picked up eight to the 12. Boydston went to the five to set up the touchdown.

Still operating from quarterback, Neblett bounded over the goal line for the first score of the game when it was only 6

minutes and 11 seconds old. He kicked the extra point to make the score 7-0.

Putting the ball in play on their own 12, Tulia could move only to the 41 where Chris Ward pulled a surprise quick kick on third down that put the ball all the way back on the Eagle 10, but the play was nullified by an offside penalty against Tulia. Byron Lewis then kicked to the Canyon 30 to give Canyon another chance for a touchdown march.

Running from halfback this time Neblett ran the punt back to the 38, then ran 12 yards from scrimmage to the 50. On the play, Neblett fumbled and lost the ball, but Eagle guard C. B. Stone recovered it.

Neblett carried again to the Tulia 45 and Pruett, at quarterback, went to the 41. Boydston picked up a first down on the 37 to end the first quarter, and made two more to the 35 on the first play of the second quarter. Snapp picked up two to the 33 and Pruett tried to pass, shook off a would-be tackler, reversed his field and ran to the 15.

Neblett took the ball there and ran around right end for the second touchdown. He kicked the extra point for a score of 14-0 as the clock showed 10:33 left in the first half.

Tulia took the kickoff on their own 12 and ran back to the 29, but three plays later had moved it only to the 33, where Lewis kicked to the Canyon 30. Neblett returned the ball to the 48, but it was called back to the 15-yard line for a clipping penalty against Canyon.

Snapp picked up seven yards to the 22. Boydston to the 25 and Pruett kept the ball and rolled out around left end to the 50. On a double reverse, Neblett took the ball to the Tulia 41 then Snapp went around left end to the 20.

Neblett lost 14 yards to the 34 when he was caught on the double reverse, then he attempted a running pass. Making up for what he lost, Neblett ran to the 17, then Snapp made it to the 14, but the

ball went to Tulia on downs.

Lewis made two yards, then kept the ball a second time and fumbled on the 17, and Canyon recovered.

Another touchdown seemed a cinch, but a 15 yard penalty moved the ball from the 7 to the 22, and Canyon was able to move it back only to the 19 before losing it on downs.

Tulia finished off the half while moving the ball from the 19 to the 32 then backwards to the 19 and on to the 23.

Taking the opening kickoff in the second half, Tulia moved from the Canyon 44 to the 38, where Lewis kicked out of bounds on the 27. Neblett carried on the first play to the 35, then to the 39 for a first down.

Boydston made it to the 43 and Neblett to the 45. On the next play, Neblett ran to the Tulia 45, but the ball was called back for a holding penalty against Canyon, and the ball was set down on the 30. Neblett ran to the 37 and Pruett kicked to the Tulia 20, and the Hornets ran it back to the 23.

On the first play, Lewis fumbled and Canyon took over. Pruett lost two back to the 25, and Snapp made eight to the 17. Neblett lost one to the 18 then made it to the 14 and the ball went back to Tulia on downs.

Darrell Nelson carried to the 19, but fumbled and Canyon got another chance deep in Hornet territory.

Neblett ran to the 15, Snapp to the 14 and Neblett to the 7. Adams had come into the game on the series of downs, and took the ball on the fourth down and ran over the goal line with 3:44 left in the third quarter. Neblett's extra-point kick made the score 21-0.

Taking the kickoff on the five, Tulia ran back to the 30 and then got five more to the 35 when Canyon jumped offside. The Hornets made a first down on the Canyon 43, moved offside for a penalty to the 38, then finally made it back to the 41 before Lewis was forced to kick to the Canyon 11.

Snapp and Adams carried three times to the 20 and Pruett kicked to the Tulia 39 as the third quarter ended.

Lewis immediately lost 10 yards, Tulia tried two passes and Lewis kicked to the 34. On the first play from scrimmage, Snapp lost seven yards and fumbled to give Tulia another chance.

Nelson picked up two yards, Ward another three, then Ward was caught 11 yards back on the 33 for a loss. Lewis kicked out of bounds on the 12 and Boydston was injured and taken from the game.

Moving the ball to the 20, Pruett threw 12 yards to Neblett, who raced the remaining 68 yards for the goal for the fourth Eagle touchdown. The clock showed 8:04 left in the game as Neblett's kick was good to make the score 28-0.

Running the kickoff back to the Canyon 46, Ward lost four to the 50, then Lewis threw to Ward on the 44. Ward tried a pass, then kicked on fourth down. Taking a low pass from center and fumbling the ball, Ward's kick was almost blocked and went only to the 41, where Snapp grabbed up the ball and began a sidelines runback that went the remaining 59 yards to the goal for the fifth touchdown. He crossed the end stripe as the clock showed an even six minutes remaining in the game. Neblett's kick was no good.

After three downs, the ball ended up one yard past where Tulia had run the kick off back, and Lewis kicked to the Canyon 35 and Adams moved the punt back to the Tulia 48.

Pruett threw 23 yards to Miller for a first down and a clipping penalty against Tulia put the ball on the 10. Miller was injured on

the play and taken from the game.

Adams ran to the five, then ran over the goal for the sixth score with an even three minutes left to play. Neblett's kick made the score 41-0, the final score of the game.

Tulia made three yards on their series of plays, kicking on fourth down to the Canyon 27.

Pruett tried a pass, Adams ran to the 36, Pruett lost three to the 33 and Canyon was penalized to the 28 for delay of the game. As the last few seconds ticked away, Pruett called for a long count, then deliberately grounded the ball on the line of scrimmage. The ball went over to Tulia on the Canyon 28, but the game ended before Tulia had a chance to put the ball into play.

Running from both the quarterback and halfback positions, Neblett racked up an even 100 yards on 17 carries in the game for almost an even six yards per carry. Adams averaged slightly over five yards on five carries for 26 yards. Pruett picked up 70 yards on 11 carries and Snapp got 62 yards on 11 carries. Boydston averaged five yards on six carries for 30 yards. Pruett threw three passes, completed two for 103 yards.

Statistics of the game were:

C	T	
17	first downs	5
288	yards rushing	54
103	yards passing	10
5	pass attempts	7
2	completions	2
0	interceptions by	0
2/42	punts	10/28
6/60	penalties	3/25
1	fumbles lost	3

Wayside News

Rev. Merle Weathers filed his regular appointment Sunday and was a dinner guest in the Clifford Stevens home.

Our community has received some much needed rain during the past week. Lots of wheat has been sown. Some of the irrigated is up and growing nicely. Combines have been at a standstill all week because of the moisture.

Mrs. Viola Stockett was on the sick list several days but is improving at last report.

George Denny took fat lambs to the Fort Worth market Monday for the W. R. Franklins.

Charles Kennedy took eggs to the Amarillo market Thursday.

Mrs. W. R. Franklin visited with Mrs. Minnie Beasley in Mrs. Maude Walters home in Canyon Tuesday morning.

Drs. Milton and Mary Brown of Dallas and Mr. and Mrs. Clifton Keadle of Stinnett spent last weekend in the W. R. Stockett home.

Mrs. W. C. McGehee, Mrs. Ira Schrib, Mrs. Henry Hamblen and Mrs. Guy Watson were Amarillo shoppers last Tuesday.

Mrs. Bernice Hamblen was a Tulia caller Wednesday.

Mr. and Mrs. M. E. Counterman and M. C. Sluder of Happy, Mr. and Mrs. W. R. Franklin of Wayside and Carolyn, Sharon and Roy Franklin Jr. of Canyon were all dinner guests in the William Payne home in Clarendon. Mr. and Mrs. Doyle Payne, Delores, Lana and Steven were present.

Mrs. M. I. McGehee and Mrs. Willie Modisette were Amarillo callers on Wednesday.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The Standard Soil Survey is now in progress in the Randall-Potter Soil Conservation District with approximately 45,000 acres having been surveyed to date. This survey is being made in cooperation with the National Cooperative Soil Survey in which an effort is being made to complete a survey of all the agricultural land in the United States.

This will help in better understanding the nature of our soils,

the problems, and treatments needed to maintain their productivity.

Thus far, surveys have been made on FHA applicants and district cooperators only. Surveys on other farms in the future will be made pending the approval of landowners or operators. These surveys put the farmer under no obligation and may be beneficial to him in designing irrigation systems, figuring adaptability of soils to certain crops or grasses, etc.

Luther Geiger and Wilbur Tripp, SCS technicians, are now assigned to do the survey work.

Holland Bulbs. Just arrived. See Stevens Floral. 2812

The first year of soil bank plan is estimated to cost \$224,414.000.

Guests in Mrs. C. L. Gordon-Cummings home Wednesday were Dr. Harold G. Cook, president of McMurry College and Dr. Gordon Bennett, executive vice president of the college. Dr. Cook is a lifelong friend of the Gordon-Cummings.

Mrs. Robert McClendon flew over to Stuttgart, Germany, last month to be with her husband, who is company clerk in the infantry.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a good doctor, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off."

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude."

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators."

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right."

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill."

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,
Tex

(Pol. adv. paid for by Texas Democrats for Eisenhower, Weldon Hart, Director.)
